Cougar Canyon Golf Links Open for Public Play Labor Day weekend proceeds to benefit Mt. San Rafael Hospital in Trinidad, Colorado

TRINIDAD, Colorado (August 22, 2007) – The much anticipated Cougar Canyon Golf Resort Community will be officially unveiled to the public the week of August 27th. The opening will be commemorated by a bargain rate for locals, a ribbon-cutting ceremony, and a charity event over Labor Day weekend benefiting the area hospital.

Local residents from Trinidad, Raton and Las Animas County are invited to preview Cougar Canyon Golf Links during Community Appreciation Days from Monday, August 27th through Thursday, August 30th with discounted \$29 green fees from 8:00 AM to 1:00 PM. “Trinidad residents have been so supportive throughout the development of this project, we want to do something special to show our gratitude,” says Eric Seise, Jr., Cougar Canyon Golf Resort Community Managing Director.

The official ribbon-cutting ceremony will take place on Friday, August 31st at 9:00 AM. The course will be open for regular play. Green fees are \$59.

Over Labor Day weekend, Saturday, September 1st through Monday, September 3rd, Cougar Canyon Golf Links will host a special celebration and charity benefit. For a rate of \$79, golfers receive a logo-embossed golf cap, limited-edition bag tag, practice time with balls on the range, a round of 18 holes with golf cart rental followed by a barbeque with beverages at the clubhouse. Half of all proceeds will benefit Mt. San Rafael Hospital in Trinidad.

The par 72, 7789 yard Cougar Canyon Golf Links has already received rave reviews from GOLFViews and Rocky Mountain Golf magazines. The unique combination of mountain and desert terrain awards views of Fisher’s Peak and the Spanish Peaks in the Sangre de Cristo range. Ability level is tested on signature hole #16, a par 3 island green which will challenge even the most precise golfer. Because of the mild climate in Trinidad, the course will be playable year-round.

The prestigious Cougar Canyon Golf Resort Community is a multi-use, master-planned development with a collection of medium to low density residential villages surrounded by the highly acclaimed Cougar Canyon Golf Links created by the famed Nicklaus Design. Amenities include a community recreation center, indoor and outdoor pools, hot tub, tennis, and a boutique hotel with a full-service spa and an upscale restaurant. Home prices begin at \$290,000 and lots at \$79,900.

Cougar Canyon Golf Links is located at 304 Shanahan Drive, just 3 miles from downtown Trinidad. Tee times may be reserved beginning at 8:00 AM by calling the pro shop at 719-422-7015.
